

Dear Parents/Carers,

8th October 2021

Y6 Residential

We are delighted to share with you that a residential has been booked for our Year 6 class for May 2022. The residential will be for 3 days from Wednesday 18th- Friday 20th May and as is tradition and will involve pupils from Austrey, Newton Regis and Warton schools. We feel that this is a brilliant opportunity for all of the children to begin to make new friends ahead of their transition to secondary school as well as cement the wonderful relationships they already have with children in their class. The camp will include a range of exciting activities and while the timetable is yet to be confirmed we expect it to include activities such as canoeing, archery, climbing, high ropes and orienteering. These activities are wonderful for building confidence, resilience and team work! The camp cost is expected to be around £190 (we are waiting for confirmation of coach costs) and in order to secure your child's place a deposit of £50 is required by Wednesday 20th October. The deposit can be paid at the school office. The deposit is non-refundable and confirms your consent for your child to attend. The rest of the camp cost can be paid in instalments or in full by Friday April 8th in order for your child to attend. The cost will include accommodation in dormitories, all meals, activities and coach travel to and from the venue. Children in receipt of free school meals can contact the office with regards to a supplement being paid. We will hold an information session with more details closer to the time of the camp but in the meantime please do look at the website to find out more information about the centre and activities: <https://www.entrustoutdoors.co.uk/laches-wood>.

Best wishes,
Mrs Eley
Headteacher.
