

Dear Parents

On Monday 10th January, your child would like to take part in a Year 4 curling and boccia tournament at Nethersole Academy, B78 1DZ. Please note that we can only take 5 children to this event, so not all children who have expressed interest will be able to attend.

The event will begin at 3:45pm. Please do not arrive early, as it will clash with the end of the school for the rest of the pupils. There is no parking on the school site, so please be considerate when using the roads around the village. All children will need their school PE kit for this event as well as a drink. This event is indoors.

Children will need to be collected at the end of school from their classes as normal, which should still allow time for them to get to the event. A member of staff will be there to greet them on arrival at 3:45pm. Parents are allowed to stay and watch the event, which should last around one hour.

In order to remain Covid secure, please can we ask all parents and children to take a lateral flow test before attending the event. Further to this, we will be asking all adults staying for the event keep their distance from school staff who are facilitating the smooth running of the event. There will be toilet facilities available for children participants only.

Many Thanks,
Miss M Griffiths
