

What is the PE and sport funding?

As of 2013 the government allocated a sum of money to all primary schools to allow for schools and individuals within schools to improve P.E, by whatever means they deemed necessary e.g. through P.E. coordinator and/or staff training, purchasing additional /extra resources, purchasing out of house P.E. services etc. The changes have to be sustainable and leave a lasting legacy rather than being short term fixes that will cease to exist if the funding is stopped. This funding has now been doubled from 2017.

As a school Austrey has used the funding as part of the sports premium to continue to use a sports specialist company to deliver P.E lessons twice a week to all classes. This ensures each child is receiving high quality PE lessons and continues up skilling teachers by sharing and discussing good practice during and after the lessons. A Sports Coach is also used at school during lunch times, five days per week, working with each class as an 'Inspire to Compete Lunch Club'. The aim of this is to introduce new sports and practice a variety of sport with the classes, supporting them to take part in a competitions throughout the year.

There are a number of factors to take into account when using the sports premium funding, including Ofsted inspection guidance which state the following factors for consideration:

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

and the 5 key indicators/objectives from the DfE, which are included in the table of spending on the next page.

Primary School Sports Premium Awarded		Review		
Total Number of Pupils on Roll (Y1-6)	73	89		
Lump Sum	£16000	£16000		
Amount received per pupil (£10 x number on roll)	£730	£890		
Actual Amount Received	£16730	Actual received (£16890)		
Summary of School Sports Premium				
Objectives 2020/21: <ol style="list-style-type: none"> 1. The engagement of all pupils in regular physical activity. 2. The profile of PE and sport is raised across the school as a tool for whole-school improvement 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport 4. Broader experience of a range of sports and activities offered to all pupils <p>Increased participation in competitive sport</p>				
Record of spending by item/project			Review	
Item/Project:	Cost:	Objectives:	Intended Impact:	
TS to provide PE lessons for all classes. (4pms)	£9120	1,2,3, 4 and 5	To ensure a high quality P.E coach supports staff and children in engaging with high quality P.E sessions. This then supports staff to carry out their own P.E sessions with confidence and ensures all children have access to a good standard of P.E.	Actual spend £10405. We changed sports providers at the beginning of the Spring Term. As we had a high take up of critical worker and vulnerable children during lockdown, the coaches continued to provide high quality PE lesson for these children as well as filming PE lessons and providing a link for us to send to those at home.
After school multisport provided by TS (when safe to do so) providing practice of different sporting opportunities.	£2040	1,4 and 5	As above, to ensure all children are equipped with the skills and become confident in their ability. We plan to begin with one club per key stage from w/c 28/9/20.	Actual spend £1006.25 – we began these in the summer term. Tennis, KS1 Girls' football and athletics. 38% of children attended.
Sporting Breakfast club	£4500	1, 4 and 5	To ensure a high-quality P.E coach supports staff and children in engaging with high quality P.E sessions. This then supports staff to carry out their own P.E sessions with confidence and ensures all children have access to a good standard of P.E. This will not be until after October half term.	Not used due to mixing of bubbles
Golden mile whole school initiative (also provides practice for cross country events)	-	1,2,3,4,5	This allows practice for running events and also helps all children to maintain a healthy lifestyle, including regular exercise.	Done during PE lessons – children were able to run further in the given time or increased their times to show greater fitness levels.
Subscription to NWPSSA	£700 (tba)	1, 3 and 4	To allow school engagement with larger events across the county.	Actual spend - £700. We took part in all of these virtually and received a number of 1 st , 2 nd and 3 rd placed certificates for a variety of activities
North Warwickshire Chance to shine Cricket led by Warwickshire CCC If safe to do so.	NA	1,2,3 and 4	As above and also supports competitive sports provision.	All Y1-6 took part in this during June 2021.

Promote active dinner times and prepare for competitive sports through use of sports coach	£3040 for coach	1,2,4,5	Children to engage in physical activity at lunch times and prepare for tournaments when it is safe to do so.	Actual spend - £3170. Sports coach stayed within a bubble for half a term then moved to each of the bubbles in turn after a holiday. All children were actively engaged during lunchtime.
Summary				
Total School Sports Premium Received			£16,730	£16890
Money brought over from 19/20			£5060	£6841
Total for 2020/2021			£21,790	£23763
Total Expected Expenditure			£19,400* *£2390 will be spend on other clubs after Christmas if safe to do so.	£23763.25 We had a taster session of karate for all pupils in September 2020 - £150. We spent £1412 on equipment to enhance lunchtime activity when the children were not with the sports coaches due to the bubble system We spent £270 on netball posts so we can host netball matches. We spent £6650 on table tennis tables for a lunch club each and an after-school club (last year's underspend mostly)

Swimming data

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	83%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	83%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	83%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ No
