

What is the PE and sport funding?

As of 2013 the government allocated a sum of money to all primary schools to allow for schools and individuals within schools to improve P.E, by whatever means they deemed necessary e.g. through P.E. coordinator and/or staff training, purchasing additional /extra resources, purchasing out of house P.E. services etc. The changes have to be sustainable and leave a lasting legacy rather than being short term fixes that will cease to exist if the funding is stopped. This funding has now been doubled from 2017.

As a school Austrey has used the funding as part of the sports premium to continue to use a sports specialist company to deliver P.E lessons twice a week to all classes. This ensures each child is receiving high quality PE lessons and continues up skilling teachers by sharing and discussing good practice during and after the lessons. A Sports Coach is also used at school during lunch times, five days per week, working with each class as an 'Inspire to Compete Lunch Club'. The aim of this is to introduce new sports and practice a variety of sport with the classes, supporting them to take part in competitions throughout the year.

There are a number of factors to take into account when using the sports premium funding, including Ofsted inspection guidance which state the following factors for consideration:

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

and the 5 key indicators/objectives from the DfE, which are included in the table of spending on the next page.

Primary School Sports Premium Awarded				
Total Number of Pupils on Roll (Y1-6)		83		
Lump Sum		£16830		
Amount received per pupil (£10 x number on roll)		£830		
Actual Amount Received		£16830		
Summary of School Sports Premium				
Objectives 2021/22:				
<ol style="list-style-type: none"> 1. The engagement of all pupils in regular physical activity. 2. The profile of PE and sport is raised across the school as a tool for whole-school improvement 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport 4. Broader experience of a range of sports and activities offered to all pupils 5. Increased participation in competitive sport 				
Record of spending by item/project				
Item/Project:	Cost:	Objectives:	Intended Impact:	Review
Coach Unlimited Sports Provider – 4 afternoons per week. Each class will receive 2 PE lessons per week	£8892	1,2,3, 4 and 5	To ensure a high-quality P.E coach supports staff and children in engaging with high quality P.E sessions. This then supports staff to carry out their own P.E sessions with confidence and ensures all children have access to a good standard of P.E.	Actual spent £8940. This was lower than expected as the company were unable to provide a coach on a few occasions due to COVOD illness Provision has remained of a high quality throughout the year and coaches have worked with teachers to set up the assessment system for the BDMAT Commonwealth Games project. We will be using this company next year
Coach Unlimited “Smart Moves Programme”- Intervention for Y1/2 children who did not achieve PD in EYFS and KS2 increase confidence and reliance through sport	£1280	1,2 and 5	Smart Moves is a motor skills development programme using an extensive activity bank related to each of the PE curriculum areas. These activities can be differentiated according to the ability of the child, allowing the children to develop key physical skills at their own pace. It also helps to close the gap between sporting ability so the children who do this small group programme can join in normal PE lessons more successfully. It also helps to builds resilience involving the normal physicality of sport, winning and losing	Actual spend £1285 (based on previous years quote – rise of £5 Assessments sent by the sports coached have shown excellent progress of children in EYFS and KS1 especially in the PD stand of the EYFS framework There has also been a KS2 group with a focus on teamwork, resilience and anger management using sport. These children can now access the PE lessons and lunchtime clubs more successfully.
Extra – curricula sports clubs at lunchtime	£4180	1,4 and 5	Children to engage in physical activity at lunch times and prepare for tournaments.	Actual spend £4224 A detailed timetable was set up in liaison with the provider to give pupils the opportunity to take part in organised sports clubs during the lunch hour. This has made lunchtimes productive and run smoothly. This will continue next year. Children have shown improvement in their fitness and stamina – will continue next year
Extra-curricular sports club after school	£988	1,4 and 5	Children to engage in physical activity after school	Actual spent £0 The clubs have been week attended and are full. Parents

				pay for his but those eligible for FSM are funded through PP
Golden mile whole school initiative (also provides practice for cross country events)	Within PE lessons	1,2,3,4,5	This allows practice for running events and also helps all children to maintain a healthy lifestyle, including regular exercise.	Increase in stamina and fitness (part of PE lesson)
Subscription to NWPSA	£700	1, 3 and 4	To allow school engagement with larger events across the county.	Paid £750
Trust – wide Commonwealth Games Project	£722	1, 3 and 4	To allow school engagement with larger events across BDMAT	Actual and committed spend £590.67 for the Commonwealth Games BDMAT project. The school has taken part in a wide variety of Hub wide competitions organised by Scott which will feed into the BDMAT Commonwealth Games project at CCSA
North Warwickshire Chance to shine Cricket led by Warwickshire CCC	£0	1,2,3 and 4	As above and also supports competitive sports provision.	No cost
Dance teacher and Karate teacher to run after - school activities	£0 – we allow them to use our facilities free of charge	1,4 and 5	To allow children to experience different sports outside of PE lessons.	Very popular clubs. Parents pay for his but those eligible for FSM are funded through PP
Curriculum Dance days to enhance the provision for Dance across the school	£80 x 2 = £180	1.2.3 and 4	This was added in as our sports company were not able to provide a coach to teach this due to staff leaving	£180 There two weeks in between the days so pupils had the chance to refine their dance with their teachers who were in on the lessons
Resources to run a wider variety of lunchtime clubs	£797.33	1 and 4	This was decided upon after other areas showed reduced costs	Children have taken part in a wide variety of sports and games at lunchtime

Teachers teach alongside the sports coaches so that they are developing their skills in a wide variety of sports do they can teach PE confidently themselves. The Smart Moves programme includes a CD and training materials. This means that the member of staff who is with the sports coaches during these sessions, can deliver the programme in future years or with other groups of children. We will also have the means to train other staff. Teachers also attended the WCC and dance days to further upskill them.

Summary		
Total School Sports Premium Received	£16,830	Actual spend
Money brought over from 20/21	£59	
Total for 2021/2022	£16,889	
Total Expected Expenditure	£16,767	

Meeting national curriculum requirements for swimming and water safety.	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	92%
What percentage of your current Year 6 cohort perform safe self-rescue in different water based situations?	92%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ No
