Dear Parents

On Wednesday 15th February, the third Y4/5/6 cross country event will be taking place. The venue this time is TQEA Atherstone High School, CV9 1LZ. This event is on the high school field and the first race is the girls at 4:00pm, followed by the boys. It is a two-lap course on grass.

All children will need their school PE kit shorts/jogging bottoms for this event as well as a drink. We will provide them with a t-shirt to wear with the school name on it. If it is cold, please ensure they have suitable long sleeves to run in. Children can be collected at normal time and head to the venue where I will be there to greet them. Parents will need to stay to supervise their children during the event.

There is parking available on site in the high school car park and access to the field is through a gate at the back of the school - volunteers will be around to direct you.

In the event of bad weather, a decision will be made on the morning of the event and we will let you know.

Many Thanks,
Miss M Griffiths
