

Austrey and Newton Regis CE Primary Schools

Intentional Spiritual Development in our Curriculum

Becoming the person God made me to be: living, learning, loving.

"I praise you because I am fearfully and wonderfully made" Psalm 139:14

TRUST

JUSTICE

FORGIVENESS

HOPE

DIGNITY

COMMUNITY

At Austrey and Newton Regis we believe

Spirituality is the opening of hearts and minds through reflection and questioning of the world which lifts the soul and makes the heart sing. For some, it will be experienced through faith and worship.

Our Vision

Austrey and Newton Regis Church of England Schools are small schools at the heart of their rural communities. They have a living Christian foundation that follows the teaching and example of Jesus who reached out **in love** and drew in everyone, whatever their status or struggles, beliefs or views.

The biblical and theological ideas that have shaped our vision are as follows: *Created to be like God, we are all individual, different, and precious.*

As school families, we treat everyone with **dignity**, seeing each person as a vital stroke in the creation of the masterpiece which is our school **community**. We **love** and welcome everyone, supporting them in the ups and downs of life and giving them **hope** for a bright future in their **lives** and **learning**. We seek justice for all, embracing those who face challenges in their lives and learning. We act responsibly, treating everyone fairly but not necessarily the same. We work to ensure that everyone has what they need and we act and speak up for those who don't. Equity underpins our commitment to enabling everyone to flourish as the person God made them to be. Therefore, living like Jesus, we think and act with generous and **forgiving** hearts in the strategic and day to day life of the school.

Trusting in God and the teaching of the bible, we are building a culture of **trust** in which everyone can feel safe; confident that their spiritual, emotional, and academic needs will be met and that their **uniqueness** will contribute to the **unity** and **wholeness** of Austrey and Newton Regis Church of England Primary Schools.

Our Curriculum Intent Statement

At Austrey and Newton Regis CE Primary Schools we take pride in providing a knowledge-rich curriculum that is inclusive and equitable, celebrates diversity and is relevant to our school; preparing children for the fullness of life in an ever-changing world
