Dear Parents/Carers

I hope you all had a restful Easter and enjoyed the bank holiday.

I can't believe how quickly this year has gone and that we are already 2 weeks into the summer term..

You will see the dates for all of the end of term events including sports days at the end, so you have plenty of time to book time off work if necessary.

I am sure you will join us in wishing all of the Y6 the best of luck in their SATs next week.

VINTED UNIFORM

As part of the Government green policy, all schools are required to have a climate action plan by September 2025.

One of the actions we would like to do is re-using uniform as much of this ends up in landfill.

The staff are working their way through washing all of the current donations that have been kindly given to school because their child had left Y6 or because they have grown out of them.

Y6 will then take charge of this environmentally friendly initiative by displaying the donated clean uniform at the same time as ice-cream Friday. There will be a box for any donations so you could just do a straight swap as well as an honesty box if you just wish to buy items (suggested donation of 50p per item).

All proceeds will go toward the Y6 Leavers treat like the ice cream money but, more importantly, will support the environment through our climate action plan. ***The bonus of this is that you get to save money on uniform that your children grow out of really quickly***

Children who bring packed lunches

Following on from the previous information about our environmentally friendly initiatives at school, we do no longer have the capacity for children to be throwing away waste food and rubbish from packed lunches. We will therefore be asking all children who bring their own packed lunch to school to take any uneaten food and rubbish to be disposed of at home.

Thankyou for your support in this matter

The Big Spring Clean Up

On Friday 2nd May, the children in King Eider participated in the Big Spring Clean Up! The children went to the village hall field and managed to get almost 5 bin bags worth of rubbish! The children discussed how this links to their Young Leader's Award and how even a small act of kindness can have a huge impact. Well done King Eider!

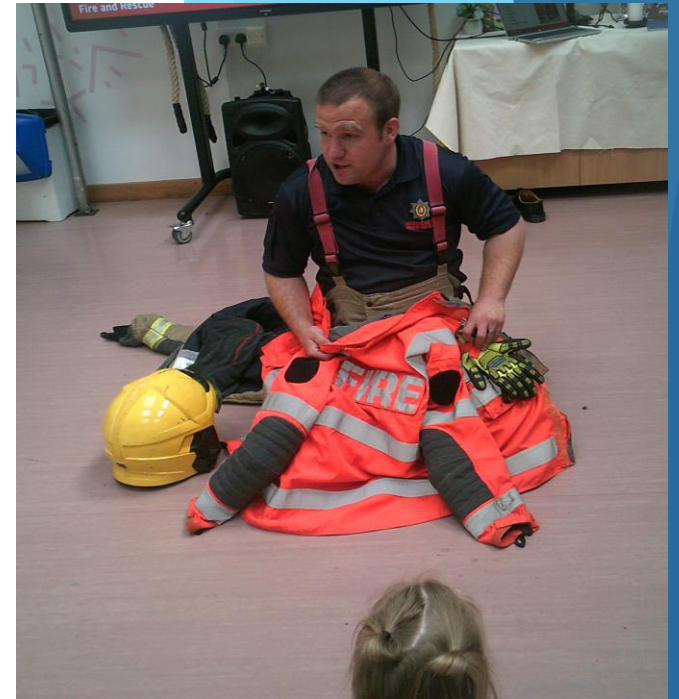

Thankyou to Miss Hand, Miss Morris and Mrs Pick for accompanying the children.

Y1 Fire awareness visit

On Thursday 1st May, Year 1 had a visit from the fire service. They learned about how to stay safe and get help in the event of a fire emergency. It was a fun and active morning.

Newton Regis Community Garden

If you are able to spare some time next Tuesday, please come along. You do not need to be an expert gardener!!

I would also like to take this opportunity to thank the FPTA for all of their hard work in getting this project off the ground and NEWTON REGIS GARDEN CENTRE for their generous donations.

Our garden will be officially opened on Saturday 5th July at the Newton Regis Open Gardens event and will be open from 11am to 5pm that day.

The poster features a large photograph of a garden with several raised wooden beds filled with dark soil, set against a backdrop of lush green trees. A smaller, tilted inset photo shows a person's hands wearing white gloves, carefully planting small green seedlings into a garden bed. A large, stylized green leaf graphic is positioned to the left of the main title.

Newton Regis Nursery

I have been approached by a few parents about bringing their child to the nursery at Newton Regis. Just to clarify, we take children the term after they are 3. All children are entitled to 15 hours for which we offer 5 mornings. You can then apply for 30 hours if you are working which means you can add some or all afternoons.

We are currently full for this academic year and have a waiting list in case anyone leaves.

We are now full for 2025/26 academic year so if your child turns 3 in the summer of 2026 and you would like them to join our nursery in September 2026, please get in touch now to secure your place. We already have 8 of the 13 places filled!

Please get in touch with Mrs Pick at Newton (01827 830220 or office@newtonregis.bdmatt.org.uk)

Please also get in touch if you would like to come and look around.

Collective Worship

Prayer

Dear God,

Thank you for each person in our community,
especially those who work behind the scenes to
keep our spaces clean and safe.

Help us to show respect to everyone and give
us eyes to see how we can play our part,
by caring for our surroundings and
appreciating those who serve us.
Amen.

During the last few weeks in Collective Worship, we have been learning about Dignity, through the story of the Wedding at Cana (Jesus' first miracle). In Picture News we have been discussing the following questions:

- Whose job is it to keep local places clean?
- VE Day 80th Anniversary: Why is peace worth celebrating?

Our music appreciation has been listening to rock music - 'I feel Good' by James Brown and 'Lean on Me' by Bill Withers

"You are blessed when you are content with just who you are - no more - no less"

Matthew 5:5
